## License Types for Digital Files by Ivan Bilous (VectorPainter)

This licensing agreement defines the permitted uses of digital design files created by Ivan Bilous, sold under the VectorPainter brand. All files are protected by copyright and may not be used outside the scope of the selected license.

### General Terms for All Commercial Licenses (Tiers 1–4)

#### You CAN

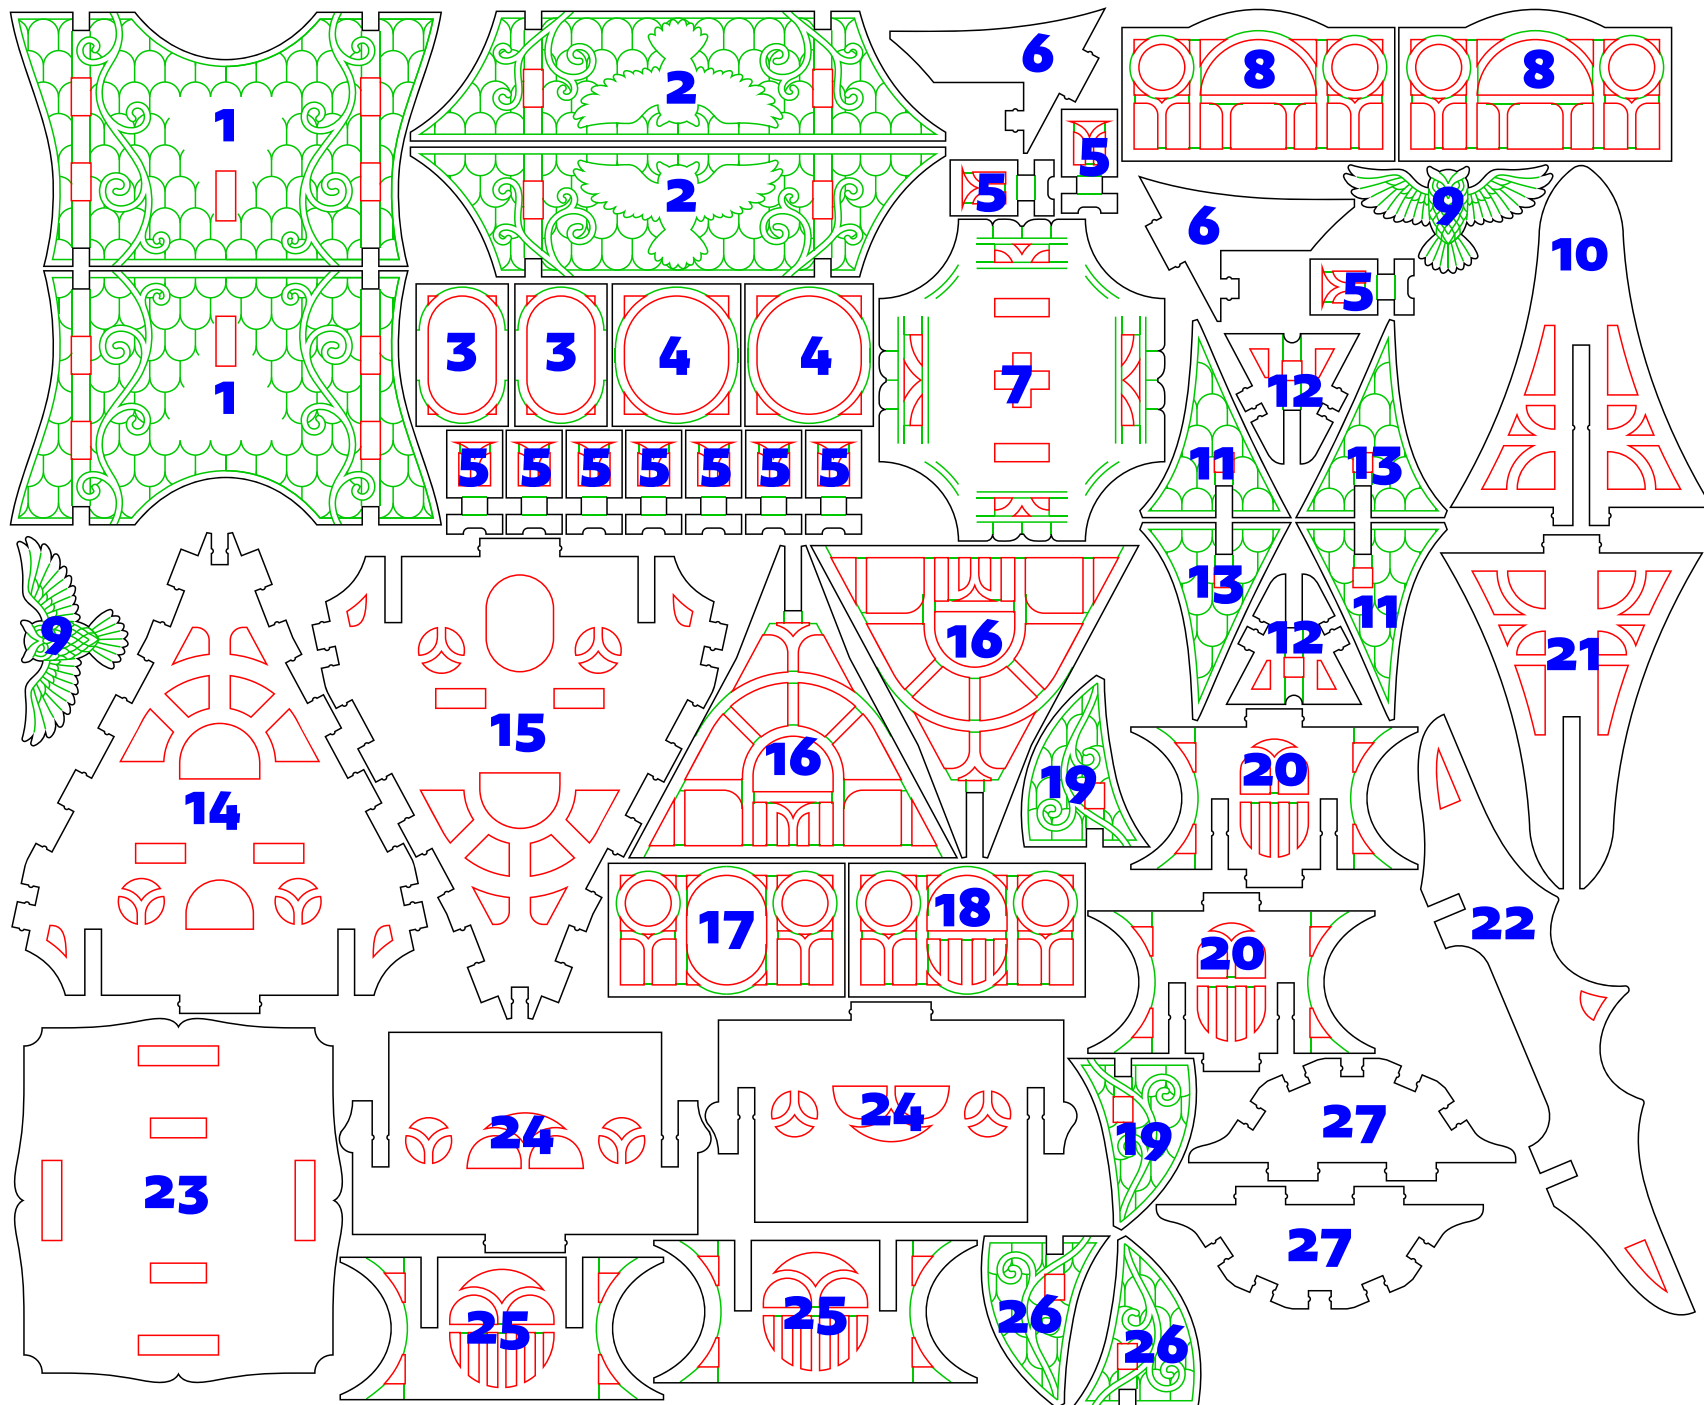

- Create and sell a limited number of physical items (depending on your license tier)
- Modify the design for your use (with attribution)
- Include printed instructions with your physical product (without author's contact info)

#### You CANNOT

- Share, resell, or redistribute the digital files — in any form, even modified
- Use the design to make new digital products or templates (e.g., SVG bundles)
- Modify the design in ways that violate laws, or that are offensive, discriminatory, or unethical
- Use images or videos created by Ivan Bilous without permission

-  One license = one file = one user or business
-  Each design/product needs its own license
